

X-RIC Working Group

Agenda/In-Brief (Oct24-26, 2000/ Little Creek)

1. **Primary Objective** - to finish grooming the Software Requirements Statement (SRS) for final submission to the IT Committee.
2. Address “**open**” Action Items from the Sept6-7 meeting held at Ingalls (Ocean Springs).
3. Address “**elimination**” of orphan X-Rics from databases. (those records with no users not attached to a config record)
4. Discuss “**continuing process**” for conversion of existing X-Ric records to new Specific/Generic X-Rics (to include  process to track that progress).
